

LIBRARY COVID-19 GUIDELINES

- Please stay home if you are sick, have a fever or cough.
- Mask or face coverings are strongly encouraged.
- Please use hand sanitizer provided before entering the library.
- No more than 10 people in the library at any given time.
- The library will not be a gathering place for groups during the pandemic or have seating available for more than two persons per table.
- All returned materials will be sanitized and quarantined for 24 hours before they are available on the shelf.
- Only 3 public computers are available in order to accommodate social distancing.
- Each computer session will be limited to 1 hour and one session per person, per day. At the end of each session, staff will sanitize the computer and surrounding area.
- Please limit your time in the library to 30 minutes.
- All children (ages 10 and under) must be accompanied by an adult while in the building.
- No in-library activities – (makerspace) will not be available.
- No private party reservations for the meeting room until further notice.
- No homebound services until further notice.
